

*Announcing*  
Our most powerful fixture yet  
*the* **Elektralite**

LXE700wash  
*and*  
LXE700spot

	<b>LXE700wash</b>	<b>LXE700spot</b>
<b>Lamp</b>	HSD 700/70 (7000°K, 3000 hours)	HSD 700/70 (7000°K, 3000 hours)
<b>Pan / Tilt</b> pan / tilt functions	8 bit and 16 bit control max to min speed blackout by movement blackout by all wheel changing	8 bit and 16 bit control max to min speed blackout by movement blackout by all wheel changing
<b>Beam Output</b>		
beam angles	Linear 7° ~ 28°	Stepped 24°, 28° and 35°
zoom	Electronic zoom with wide angle lens	Between fixed angles
focus		Yes
iris		Yes
<b>Dimmer</b>	Full dimming [0 ~ 100%]	Full dimming [0 ~ 100%]
<b>Color</b>		
color wheels	1 rotating bidirectional color wheel	1 rotating bidirectional color wheel
colors	7 colors + open white	7 colors + open white
color wheel effects	Bi-color Variable speed forward / backward rainbow effect	Bi-color Variable speed forward / backward rainbow effect
mixing	Full CMY mixing [0 ~ 100% Cyan / Yellow / Magenta]	Full CMY mixing [0 ~ 100% Cyan / Yellow / Magenta]
<b>Gobo</b>		
total gobos		2 rotating bi-directional wheels
rotating indexable bi-directional		12
16 bit fine positioning		6 + 6
fixed		Yes
		0
<b>Effects</b>		
effect wheel functions	Full beam Beam shaper Frost filter	3 facet rotating prism Frost filter
strobe / shutter effects	Shutter close / open Strobe effect slow to fast Pulse effect in sequences Random strobe effect slow to fast	Shutter close / open Strobe effect slow to fast Pulse effect in sequences Random strobe effect slow to fast
programmed effects	Channel dedicated with integral macros (8 effects programs) Save and replay 48 scenes/cues in fixture's live memory capability 8 preprogrammed shows can be selected	Channel dedicated with integral macros (8 effects programs) Save and replay 48 scenes/cues in fixture's live memory capability 8 preprogrammed shows can be selected
<b>Electronics / Control</b>		
electronic ballast	Yes	Yes
external lamp control	Yes	Yes
super—quiet cooling	Yes	Yes
display	DMX address, Individual dmx channel value, Lamp hours, Fixture hours, Display reverse, Channel test w/o Controller, Reset/home, Pan / Tilt reverse, Delay lamp start, Display shut off, Changeable 8/16 bit	
master / slave	Yes	Yes
sound activation	Yes	Yes
<b>Weight</b>	72 lbs	72 lbs
<b>Finish</b>	Black powder coated	Black powder coated
